THE BEYOND SLIM[®]
COMPENSATION PLAN*

*As a new business, Beyond Slim, LLC lacks sufficient data to provide meaningful information regarding the actual incomes earned by Coaches. Therefore, the examples in this manual are solely for purposes of illustrating how the Compensation Plan works but are not illustrative of the income you can expect to earn as a Beyond Slim® independent Coach. Beyond Slim, LLC does not warrant the financial success of any independent Coach. Your financial success depends on your effort, dedication, sales skill, and your ability to teach these qualities to others.

+ Fifty overweight people using a key ingredient in ZipSlim®, along with a lower calorie diet (1350 calories for women / 1850 for men), lost 30 pounds in just 13 weeks, compared to just 10 pounds for those following the lower calorie diet alone. Results may vary from person to person.

OUR MISSION:

To help millions of people become fitter, healthier and happier!

The #1 health challenge in America today is the overweight epidemic. Currently a record 74% of Americans, or 185 million adults, are overweight. Being overweight leads to numerous significant health challenges including increased risks for cancer, heart disease, Alzheimer's disease, arthritis, depression and a shorter lifespan.

At Beyond Slim®, we started with a simple question: Can we help those 185 million overweight adult Americans to lose weight and become fitter, healthier and happier? Using the latest scientific breakthroughs in weight loss, the answer is YES! ZipSlim®, our delicious Blackberry Lemonade and Cherry Limeade drink mixes, can help you lose 3X more weight than dieting alone, reduce your cravings and appetite, and help you become fitter, healthier and happier!*

But ZipSlim® goes beyond losing weight! As you follow our Metabolic Reboot program and begin to lose unwanted pounds, you may notice some other pleasant scientifically validated "side effects" like more energy, increased muscle tone, better physical fitness, sounder sleep, improved memory and focus, less stress, better cardiovascular health and even just feeling happier! You will go way Beyond Slim!

In order to help realize our goal to impact millions, we have chosen to market ZipSlim® using our proprietary Social Referral Marketing® model. Our model offers unprecedented financial rewards to our independent

Coaches, people like you who help us spread the word about the health benefits of ZipSlim®. Coaches can earn income and other rewards when they enroll customers who purchase ZipSlim®, and by teaching new Coaches they enroll to also gather new customers.

The pages that follow outline the Beyond Slim® Compensation Plan, and will show you how **Social Referral Marketing®** can work for you. We believe you will find it very lucrative and compelling and we hope you decide to join our mission of helping people to achieve their health and financial goals!*

Sincerely,

for Using the Compensation Plan Guide:

Take a deep breath.

There's no need for you to be intimidated by this compensation plan guide. In fact, you don't need to know everything in here to have a great launch and earn ongoing income with Beyond Slim®. Use this as a reference as you grow in the plan and increase your earnings. The best way to learn this plan is to earn in this plan. Customer Referral Rewards

Earn when you personally enroll
Customers and support them:

1. Customer Introduction Commission
2. Loyal Customer Commission
3. Beyond Bucks – Earn Free Product!

Team Building Rewards

Earn when you build a team of Coaches
who personally enroll Customers and
support them:

4. Achievement Bonuses
5. Fast Start Bonuses
6. Matching Bonus
7. Organization Commission
8. Check Match Bonus
9. Leadership Rewards Pool

1. Customer Introduction Commission (CIC)

Earn 40% or 50% on Customers you refer every month!

HOW IT WORKS:

When you personally enroll a Preferred Customer or a Coach with a Subscribe & Save order, you will receive 50% of the Product Points on orders they place during their first two calendar months!

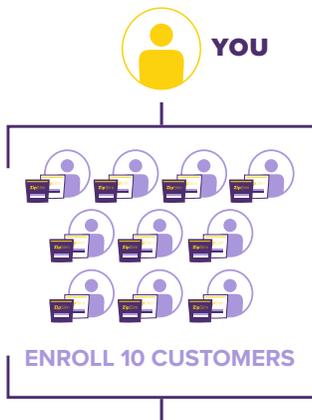

If your personally enrolled Customer or Coach places a Retail order (not on Subscribe & Save), the Customer Introduction Commission will be paid out at 40%.

There is NO LIMIT on the amount you can earn with this commission. The Customer Introduction Commission is paid within 3 business days of purchase, so you can begin earning right away!

Customer Introduction Commission Example

MONTH 1

Enroll 10 Preferred Customers (a Customer on the Subscribe & Save program) who each order 2 bags of ZipSlim® (a 1-month supply), and you'll receive \$500.

50% x 1,000 Product Points =

\$500

YOU

MONTH 2

Enroll 10 more Preferred Customers who each order 2 bags of ZipSlim®, for a total of 20 Customers.

50% x 1,800 Product Points =

\$900

YOU

MONTH 3

Enroll 10 more Preferred Customers who each order 2 bags of ZipSlim®, for a total of 30 Customers.

50% x 1,800 Product Points
+ 40% x 700 Product Points (LCC) =

\$1,180

YOU

TOTAL FOR ALL 3 MONTHS IS \$2,580!

* Does not include other potential bonuses earned including free Product Credits and One-Time Achievement Bonuses. Example assumes all customers order each month. Example assumes no discount codes used on orders.

2. Loyal Customer Commission (LCC)

After your Customer's 2nd month, you can begin earning Loyal Customer Commission for supporting and retaining your Customers. The commission you receive on them will depend on how many total Active Personally Enrolled Customers you have during that month.

The LCC is paid monthly on each Customer's Product Points.

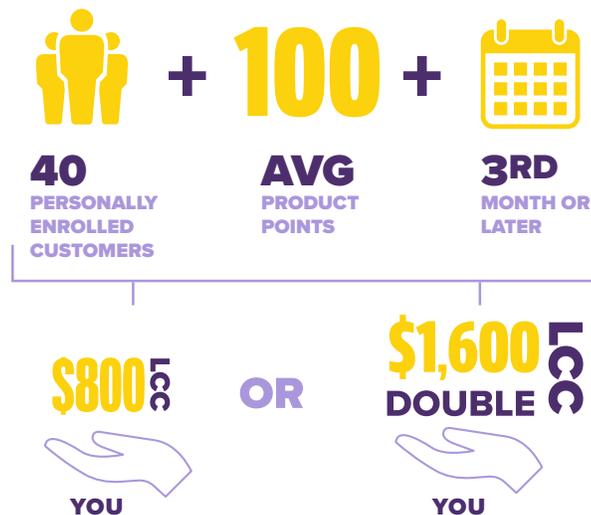

Active Customers Enrolled by You	LCC	or	Double LCC
1-9	10%	or	20%
10-29	15%	or	30%
30+	20%	or	40%

DOUBLE LOYAL CUSTOMER COMMISSION!

Your LCC will double to 20%, 30% and 40%, respectively in any month in which you enroll 5 new Preferred Customers.

Example:

You have 40 Personally Enrolled Customers who order an average of 100 Product Points in their 3rd month or later. You would earn an \$800 LCC that month ($4,000 \times 20\%$). But if you qualified for the Double LCC that month you would earn \$1,600 instead ($\$4,000 \times 40\%$)!

The LCC is also paid on Personally Enrolled Coaches, but the qualifications for the LCC are all based on Personally Enrolled Customers only.

3. Free Product! Earn up to \$200 in Beyond Bucks each month to use toward FREE Product!

A Coach joins Beyond Slim to earn income, not spend it! So when you enroll 2 Preferred Customers, you immediately begin earning Beyond Bucks to use toward FREE Product!

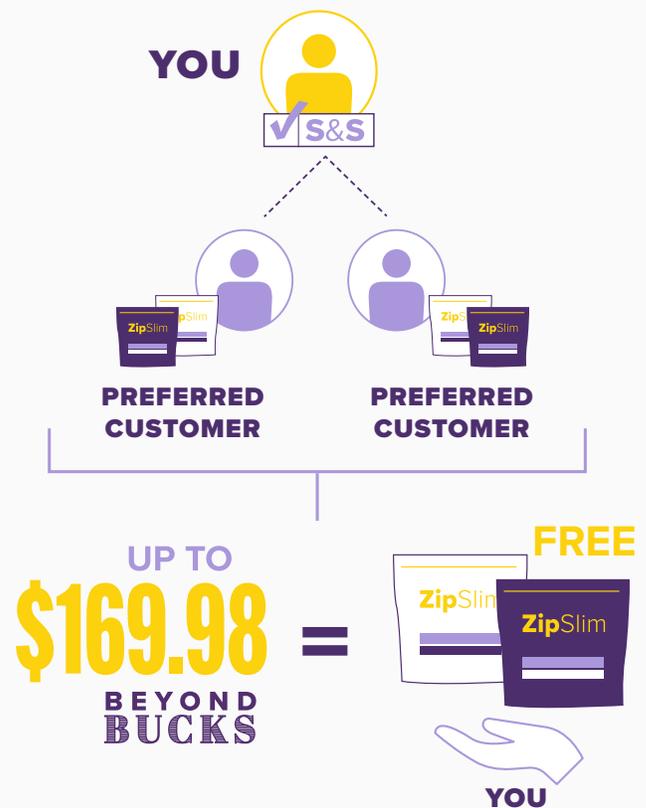

As a Coach with 2 or more Personally Enrolled Preferred Customers, you are eligible to receive Beyond Bucks each and every month as long as you are on the Subscribe & Save Program and have placed your first order for at least \$125 Beyond Slim products (not including tax, shipping or non-product items). You will receive Beyond Bucks equal to the average of your two highest personal Preferred Customers' Subscribe & Save orders.

You can earn up to \$200 Beyond Bucks each month, and they will be automatically applied to your next Subscribe & Save order. They are awarded the month following your 2 Preferred Customers' Subscribe & Save orders, and they do not "roll over" to future months. Only Coaches are eligible to earn Beyond Bucks.

BEYOND BUCKS

Example:

You are on Subscribe & Save, have placed your first order for at least 2 bags of ZipSlim and you Enroll 2 Preferred Customers with 2 bags of ZipSlim®. That's an average order of \$169.98.

You will qualify for up to \$169.98 Beyond Bucks on your next month's Subscribe & Save order. If that order is also \$169.98, your order is FREE, not including shipping & handling and taxes. All products are available for Beyond Bucks.

Team Building Rewards*

While Customer gathering is the name of the game, Beyond Slim® also provides lucrative rewards for building and supporting a team of Coaches who also gather Customers. Beyond Slim's Compensation Plan will abundantly reward you up to 5 Generations deep of Coaches in your organization.

In addition to the 3 Customer Referral Rewards already covered, there are **6 Team Building Rewards** you can earn!

9. Leadership Rewards Pool

Influencer 3s through Diamond Influencers can share in a bonus pool equal to 2% of the company-wide Product Points each month. You must have at least 12 Referral Points to earn in the Leadership Rewards Pool. The calculation for determining shares in the pool is as follows:

How it Works

Referral Points X Your Title Multiplier

QUALIFIED TITLE	MULTIPLIER
Influencer 3-9	1
Silver Influencer	2
Gold Influencer	3
Platinum Influencer	4
Diamond Influencer	5

Example:

A **Gold Influencer** with **20 Monthly Referral Points** times the **3x Gold Influencer Multiplier** = **60 Shares** in the Leadership Rewards Pool.

Monthly Referral Points

Monthly Referral Points are required for each title from Influencer 1 through Platinum Influencer 9 and to qualify for the Leadership Rewards Pool.

HOW TO EARN REFERRAL POINTS:

- ✓ Earn 1 point each time you enroll a new active Preferred Customer
- ✓ Earn 1 point each time you enroll a new Coach or Affiliate who is enrolled on Subscribe & Save. Earn an additional point when that Coach or Affiliate has at least 1 personally enrolled Active Preferred Customer. 2 total points available.
- ✓ Earn 6 points each time you help a personally enrolled Coach or Affiliate advance to a new title of Influencer 1 through Silver Influencer 1.

You can earn Referral Points for each new Customer, new Coach, new Affiliate or the new Influencer Advancement for up to 3 months as long as they remain active and qualified each month. If your Personally Enrolled Coach or Affiliate advances more than 1 title in a month, you can earn 6 or more additional Referral Points.

Example:

Enroll a Preferred Customer in January and you will get 1 Referral Point each month for January, February *and* March as long as they remain active each month.

Enroll a new Coach on Subscribe & Save in January and you will get 1 Referral Point for January, February and March as long as the Coach has a Subscribe & Save order each month. Earn an additional point each month if the Coach is Active (has at least 1 personally-enrolled Active Preferred Customer).

Help a Personally Enrolled Coach advance to a new title of Influencer 1 through Silver Influencer 1 in January and you will earn 6 Referral Points each month for January, February and March as long as the Coach at least retains that active title each month.

If a Customer upgrades to a Coach within the first 3 months, you can count them for 2 points in the month they upgrade and become an Active Coach, and any remaining months, but no more than 3 months in total will be counted.

Putting it all together!
