# A NOTE FROM THE CEO

## ZipSlim - The Single Most Important Supplement for Full Circle Wellness!

I've been passionate about dietary supplements since I was 15 years old, when my mom was healed of a crippling case of osteoporosis through the use of nutritional supplements. It was then that I started researching, studying and taking supplements myself. Over the last 28 years I have been a part of formulating and creating well over 150 different life-changing supplements, including one product that helped hundreds of thousands of people achieve great health and attained over \$1B in sales. In all my years of experience, I have never been part of a more important, scientifically validated, and life-changing supplement than ZipSlim. It is simply the single most important supplement that you can take on a daily basis to achieve optimal health and well-being. We call it "Full-Circle Wellness!" There are several reasons this is true.

First, I've never seen one supplement with such a wide range of scientifically validated benefits. It begins by addressing the #1 health issue in America today, the overweight epidemic. 75% of adults in the US are now overweight or obese. Sadly, it's the highest percentage we've ever had in our country and all signs indicate it is only moving higher. We have a delicious tasting solution with ZipSlim! Studies show that when drinking it twice a day, users lost 3x more weight and inches than those doing diet/exercise alone. 3X more! But helping you get slim and trim is just where the benefits begin with ZipSlim. Other key ingredients have scientific research showing dramatic improvements in muscle strength, increased physical fitness, improved sleep quality, reduced feelings of stress, enhanced ability to focus, improved memory, a reduction in damaging free radicals in your body, improved sexual function for both males and females and much more. There is not another supplement on the market that delivers all those amazing benefits and at the same time tastes incredibly delicious!

Getting these 14 synergistically formulated ingredients to taste great took a herculean effort over the better part of a year. We worked with scientists, taste experts, consumer panels and a multi-billion dollar flavor company that has been in business for over 100 years! And, it had to be a comprehensive formula to meet the demands of today's discriminating consumers like no artificial flavors, colors, sweeteners or preservatives as well as be gluten free, dairy free, non-GMO, vegetarian, keto and paleo friendly. Simply put, there is no more effective, easy to take and delicious product available in the supplement industry than ZipSlim.

In a recent comparison, we found that if you were to try to take all these ingredients separately, you would need to take over 14 pills, twice a day and it would cost in excess of \$300. It would be no fun choking down all those pills, spending more money and wondering if the ingredients are safe and effective. We go to great lengths to ensure that every bag of ZipSlim you receive is of the highest quality possible and passes our strict quality control criteria. We will have more information on this in future issues of our Newsletter.

With inflation at a record high, our costs for sourcing the high-quality ingredients in ZipSlim have increased dramatically this year, as have labor costs, shipping costs and packaging costs. Total costs have gone up over 12% compared to our last production of ZipSlim. Therefore, there will be a small price increase on ZipSlim and RS90 effective January 1, 2023 to partially offset this rise in costs. The cost per bag of ZipSlim on Subscribe and Save will increase 6%, from \$79.95 to \$84.95, or around 16 cents per serving from \$2.67 to \$2.83. We will still offer the \$10 Loyal Customer discount per bag of ZipSlim (\$74.95) after 3 months and for Coaches, you can still get ZipSlim for free with Beyond Bucks. RS90 will be increased \$5 from \$39.95 to \$44.95 on S&S.

We are extremely excited about our future and the hundreds of thousands of people we are going to impact for the better in 2023! Thank you for your dedication to our mission and I wish you all a very Blessed Holiday and New Year!

**Sincerely, Ray Faltinsky**

BEYOND SLIM®

**"Empowering those around you to be heard and valued makes the difference between a leader who simply instructs and one who inspires."**

**My goal is to inspire as many people as I can possibly reach. Inspire to be confident, inspire to believe in themselves, inspire to grow, but most importantly, inspire to believe they can accomplish anything they set their minds to. Because that's exactly what I did when I first started my business years ago. It's important to remember that success seldom happens overnight. If you're looking to achieve big goals, it's important to be patient and invest your time and energy into building relationships. You never know when you'll meet someone who needs a little inspiration.**

**While it's easy to get lost in social media, posting daily and growing your following, the best way to make meaningful connections is to interact with people on a regular basis. Instead of seeing people as leads or sales, try to see them as individuals who deserve to be heard and valued. Building strong relationships is key to achieving lasting success.**

**And it's even easier with ZipSlim! ZipSlim is making it very easy to connect with others. The benefits of ZipSlim are numerous and people are quickly seeing the positive results. I'm blessed to have come across ZipSlim because I now have the opportunity to share it with others and not only help them mentally and physically, but also help them financially!**

**It is possible to be humble & hustle!**
