FEBRUARY 2023 NEWSLETTER

A NOTE FROM THE CEO

WHAT IS A COACH?

Dear Coaches,

Congratulations on the incredible start to 2023! January sales increased double digits over December, and we had a number of new exciting Influencer advancements and a record number of Coaches receiving free product through our Beyond Bucks program! January also represented our 4th consecutive record month and as I write this, February shows no signs of slowing down as enrollments and sales are both double digits ahead of last month!

We have something very special here with ZipSlim and our trademarked Social Referral Marketing™ program. We are doing something that has never been done before in direct selling. We have a real product, backed by real science that everyone loves and our Social Referral Marketing compensation plan is rewarding both the full-time Coach and the part-time Coach, which represent 90% of all Coaches joining Beyond Slim, at levels never available before!

To say that we are unique is an understatement. We are revolutionizing direct sales in a way that everyone thought could not be done. And you are pioneers making that happen! I want to let you know how grateful I am for each and every one of you!

We have a record number of Coaches and Customers joining us now each month and I have one request from each of you. Please be sure to engage closely with each of your new enrollees and help them know and understand our 9 Reboot Rituals. Let me explain why this is so important.

We all know ZipSlim is scientifically designed to help customers lose 3X more weight than diet and exercise alone. That's what the science shows. What that means is that if you are taking the proper healthy steps to get fitter, healthier and happier you will lose 3X more weight by using ZipSlim than if you didn't. In other words, ZipSlim is that "supercharger", that "booster" to give you 3x better results than if you were just modifying your diet and/or exercising alone.

We chose to call our distributors "Coaches" because your role is to "coach" new Coaches on how to make additional income with Beyond Slim and to "coach" new Customers on how to become fitter, healthier happier. Introducing them to ZipSlim is just the first piece of the puzzle, but helping them implement the 9 Reboot Rituals is the other. In doing this, each Customer will have the best chance of success in reaching all their health goals, especially in losing that extra weight they may have. And as a result, your retention rate in keeping new customers using ZipSlim each month will increase dramatically and your monthly income will also increase. It's a win-win-win for everyone, especially the Customer who will be getting the best health results possible.

So Coaches, congratulations on the record enrolling, but let's not forget the second half of the equation and that is "Coaching" your new enrollees to have great success with ZipSlim and our Reboot Rituals. Doing this will ensure that we all have greater success together and reach our goal of helping millions to become fitter, healthier and happier in record time!

WAYS TO HELP NEW REBOOT 66 ENROLLEES ACHIEVE THE BEST RESULTS:

Our Reboot Rituals are scientifically proven to help anyone who follows them become fitter, healthier and happier. As a Coach, here are some ways you can become a "Champion" of our Reboot Rituals and assure the best results for your new enrollees:

1. Make sure they join our fast growing Facebook group called "Beyond Slim Reboot 66". Here we provide tips and inspiration on achieving your health goals and Monday-Friday you'll get some great information and training from our incredible "trainer to the stars" Franz Snideman!
2. Make sure you are following the 9 Reboot Rituals yourself, to optimize your results and be a "product of the product".
3. Promote your use of the Reboot Rituals on social media. Share pictures or videos of you doing the Reboot Rituals. Have fun with it!
4. Walk your new enrollees through the 9 Reboot Rituals when they first join to make sure they understand them.
5. Check in with your new enrollees during the week to see how they are doing with the Rituals.
6. When we launch our Reboot 66 app (coming soon!) be sure to engage with this incredible new tool as it will make following the Reboot Rituals a fun "game" that everyone will really love and benefit from.

Sincerely, Ray Faltinsky

BEYOND SLIM®

My advice to get where you want to go will always be consistency! Showing up for yourself, your team, and your business every day.

It's impossible to lose if you never quit but you have to embrace the losses (we'll all have them) to get those out of the way and to truly excel and equip yourself with an all-new skill set.

Map out your short-term and long-term goals and from there your plan of action to achieve them.

Secondly, if you treat people like a project of passion and not a paycheck, they will see that and trust you.

If you help enough people get what they want, you will in turn get what you want.

And remember, you're not a top seller YET, but you will be! Keep going!

I'm proud of each of you & so honored to do this alongside you.

Layce McMullen
