A NOTE FROM THE CEO

35X Growth!!

Dear Friends,

As you can see in the graphs below, it's been a remarkable, record breaking 12 months! It's highly unlikely that any legitimate direct selling company in the US has grown any faster than we have in the past 12 months. So, congratulations to our entire Beyond Slim family, all of our Coaches, Customers and Corporate team. You are doing amazing things and changing so many lives for the better. Thank you!

Our record growth, at a time when the direct selling channel, as a whole, is struggling, is no accident. When we launched Beyond Slim, we knew that times were changing. Gone were the old “MLM” ways of doing business, like expensive packs to get started, forcing distributors to purchase for qualifications and not offering a lucrative opportunity for the part-time person to earn. We’ve turned all that on its head and we’re doing things that no other company has ever done. . . like no big packs, no personal volume required to earn a check, free product with just 2 customers, 3-day pay and finally a compensation plan where everyone can be as successful as they choose to be.

We’ve made things so simple and lucrative that the part-time person doesn’t need to know a single thing about our trademarked Social Referral Marketing® compensation plan. This has resonated with leaders who are tired of the old “MLM” ways where they can be successful, but their team can’t. That’s a major reason we’ve grown 35X in the last 12 months.

The second big reason is our delicious tasting Blackberry Lemonade and now our Cherry Limeade ZipSlim®, a drink mix designed with the goal to help millions of people become fitter, healthier and happier. ZipSlim has been our Superstar product since Day 1. Customers love the taste and more importantly the results.

It’s been a game changer for thousands of people already and we’re just getting started.

But we are not resting on our laurels. At our Park City Leadership Conference in September we announced a new cutting-edge product coming in November that we believe will help Beyond Slim grow even faster! We’ve been working on this for quite some time. It is an exciting addition to our current product line and will help even more people enjoy greater health, more energy and well-being. It’s an “instant impact” product where the consumer feels absolutely amazing within 15 minutes, almost euphoric! The introduction of this exciting new product to our Beyond Slim family before Thanksgiving is going to take us to the next level of success and growth!

Here's to your Health!

Ray

LEGACY LEADER

When I joined BYB, all I wanted was to get free products and earn an extra \$800 a month. As a single mom of a 14-year-old, I was missing so much because I worked full-time with two part-time jobs. I was earning "too much" to get any type of government assistance so I had to do what I had to do to provide for him.

In October 2022 my life changed after joining Beyond Slim. I've heard of people making crazy money but didn't realize I would see it happening in MY BANK ACCOUNT.

During the time my dad passed away in February, I learned I officially earned a trip to Nashville and would be meeting the corporate team! I was at my son's first baseball game without my dad, listening to the team call when Rachel said "...and Amy Jo will be attending Nashville." Tears just streamed down my face!

By March I not only "met" the corporate team but built friendships, too. When Ray found out my dad passed away the past month, he personally texted me to congratulate me for becoming a Legacy leader AND referred back to my dad's passing. Then last month when I had a few health scares, both Shelley and Denise reached out to me. I've been in plenty of companies where I'm told "I'm always here, just reach out" and then life happens and I get ghosted. Here at Beyond Slim the corporate staff truly care AND remember things going on in my personal life. Finally, I am happy to share that I make enough to walk away from BOTH part-time jobs, with so much time to hang out with my son and watch him play baseball.

Literally in all the nooks and crannies, I've been able to help so many people make extra money and it feels so amazing.

REBOOT RITUAL #7: Fast for at least 12 hours everyday

What does daily 12-hour fasting really achieve?

Most weight loss programs are about what you eat but did you know that there's a program that focuses on **WHEN** you eat? Intermittent fasting is one of the most talked about weight loss strategies nowadays. Beyond Slim's Reboot Ritual #7 recommends fasting for at least 12 hours daily to maximize weight loss goals. But how does fasting help in achieving weight loss?

Intermittent fasting is an eating program wherein eating and fasting are interchanged on a regular schedule. During a 12-hour fast, the body goes on the process of ketosis, wherein the body switches from glucose to fat as a fuel source. This process is known as metabolic switching. Beyond Slim's resident weight loss expert Dr. Mark Drucker explains this process further.

"Our bodies were designed to have periods of eating and periods of rest between eating. This is one of the methods that keep AMPK, your master metabolic switch, turned on. When you're eating around the clock, you're telling your body to store fat instead of burning them for fuel. You're never giving your AMPK a chance to switch on, which leads to metabolic overload, the root cause of midlife weight gain."

Intermittent fasting has been associated with several benefits. Here are some potential advantages:

1 WEIGHT MANAGEMENT

Fasting helps regulate calorie intake and promote weight loss. By restricting the time period to consume food, you may reduce your overall calorie intake, which can lead to weight loss.

3 IMPROVED DETOXIFICATION

During fasting, the body eliminates toxins and waste products more effectively, because the body can focus on cellular repair and detoxification processes.

2 BETTER DIGESTION

Fasting allows your digestive system to rest, giving your body a break from constant food intake, which can enhance the efficiency of digestion and absorption of nutrients.

4 REDUCED INFLAMMATION

A nutritious diet and fasting can lower inflammation in the body by reducing oxidative stress.

Individual results may vary, and fasting should always be approached safely and under the guidance of a healthcare professional, especially for those with underlying medical conditions or individuals taking medications. Eating a properly nutritious diet also helps you get closer to the goal of being fitter, healthier, and happier.

Fasting for 12 hours daily is just one of the 9 Reboot Rituals that Beyond Slim recommends to complement your weight management goals. Get to know more about the other Reboot Rituals at www.beyondslim.com

PROMO CODES

Beyond Slim offers fresh promo codes each month, providing you, our Coaches, with the chance to run your own exclusive sales. Using these promo codes is entirely optional, and discretion is key: we ask that you refrain from posting these unique codes on public social media channels. However, you may share them privately with individuals to whom you wish to extend a discount.

Please bear in mind that using promo codes will result in a decrease in the amount of Product Points earned as well as a reduction in your Customer Introduction Commission (CIC).

Here's a breakdown:

FOR A TWO BAG ORDER OF ZIPLIM ON SUBSCRIBE AND SAVE (S&S)	FOR A SINGLE BAG ORDER OF ZIPLIM ON S&S
S&S order with <i>no promo code</i> = 100 Product Points \$50 CIC	S&S one bag with <i>no code</i> = 50 Product Points \$25 CIC
S&S order with <i>\$10 promo code</i> = 90 Product Points \$45 CIC	S&S one bag with <i>\$10 discount</i> = 40 Product Points \$20 CIC
S&S order with <i>\$20 promo code</i> = 80 Product Points \$40 CIC	For RS90 S&S with no promo code, it amounts to 20 Product Points and a \$10 CIC.

Each of the orders stated above qualifies as active S&S members for rank advancement. CIC Commissions are processed and paid within 72 business hours, excluding weekends.

Kindly note, if a customer utilizes a coupon for their first month, they'll be charged the full price the following month, and your CIC will round back to \$50 on a two bag S&S order.

From the third month onward, customers receive the Loyal Customer Discount, and you start earning the Loyalty Customer Commission in addition to Organizational Commissions on this S&S member instead of CIC.

For further information, please refer to the Compensation Plan training materials in BYSU.
