NOTE FROM THE CEO

A MESSAGE FROM CEO & FOUNDER
RAY FALTINSKY

NO ROOM IN THE INN

Dear Friends,

This is the Season of Lights, when “Peace on Earth, Good Will Toward Men”, becomes more than just words, and instead, the hope and focus of an entire world.

Candles will be lit in Synagogues.

Prayers will be offered in Mosques.

Families will gather.

“Silent Night.....Holy Night..” will fill churches throughout the world.

Men and women of goodwill will reach out to each other.

And, for billions of people, this Christmas Season will provide the opportunity to remember the story of a young couple seeking lodging. He was a carpenter, and his beautiful young wife was “great with child.”

When they asked for a room, the man simply said, “There is no room in the Inn.”

The young couple was turned away only to find shelter in a stable.

“No room in the Inn.”

Those words have echoed through the centuries, and seem to repeat themselves in acts large and small.

Rosa Parks must have found them to be true when she found that the only room for her on that Alabama bus was in the back. The real message was, "you're not wanted here. There is no room for you." Yet, Rosa Parks found room, and became the mother of the civil rights movement.

At my high school I always watched in pain when the Coach had to choose certain boys for the team, which meant others had to be "cut." Often, I was fortunate enough to make it, but I cannot forget the expressions of those who did not. The team was chosen, the spots were filled, and there was "no room at the Inn."

In corporations there are mergers, acquisitions, and buy-outs. Good people often find themselves without jobs. The message seems to be, "We don't have room for you here. All the positions are taken."

Throughout the world millions of people trade their time for money. They work for an hourly wage or a monthly salary. They want to get ahead, to pay their bills, to save some money. There just isn't enough time, and enough hours, and enough money to go around.

There is no "residual income" for them. They aren't gifted authors, exciting actors, or others who seem to have it figured out. The "residual income" door is closed for them. There is no room.

Single mothers struggle to make ends meet. They work all day, care for a family all night, and start over again. There seems to be no room for them in our society. Often, they are overworked and out of hope.

Is there no room for them?

When we started Beyond Slim, we took the “No Room In the Inn” sign down, and threw it away. We were determined to build a business where there was room for everyone.

The beautiful hymn goes.....Silent Night, Holy Night, All Is Calm, All Is Bright..

That my friends, is my Christmas message to you. At Beyond Slim, “All is VERY Bright.”

We have room for you.

If you are in your golden years, and find yourself without a source of income, we have room for you.

If you are a single mom, trying to make ends meet, we have room for you.

If you have no experience in direct selling, we have room for you.

If you are young, we have room for you.

If you are trying to get out of debt, and enjoy residual income, we have room for you.

If you have made mistakes, find yourself starting over again, and are looking for a home, we have room for you.

At this Inn there will always be room for you. You will find hope, family, friends, association, mission, and belonging.

That’s the way we want it to be. That’s why we took down the sign.

There is always a vacancy at Beyond Slim.

*Wishing you a very
Blessed Holiday Season.*

With love and affection,

Ray

LEGACY

LEADER

Upon joining BYS at the end of March, I sought a genuine product that would deliver on its promises. The company's resonant slogan, "To help millions of people become Fitter, Happier, and Healthier," instantly captivated me.

True to its commitment, BYS has significantly improved my well-being. Unbeknownst to me, my body lacked essential nutrients, and the company effectively addressed this deficiency within the first three months. Simultaneously, as I sought to replace lost income from a previous engagement, BYS exceeded my expectations, contributing to my overall fitness, happiness, and health.

Being part of a company where the Corporate team genuinely values input, actively listens, and implements feedback with the collective well-being of the team in focus is truly refreshing.

I am grateful to say that I am HOME!

9 REBOOT RITUALS

REBOOT RITUAL #8: Get at Least 7 Hours of Sleep Each Night

Enough sleep can help with weight loss

Did you know that not getting enough hours of sleep can cause weight gain? Beyond Slim's Medical Expert Dr. Mark Drucker M.D. explains the connection between sleep and weight gain:

"Sleep is when you rest, repair and restore. Without adequate sleep, you're more vulnerable to the effects of stress. You're less able to resist cravings and more likely to turn to artificial energy boosts like sugary energy drinks or other unhealthy options. Plus, lack of sleep can lead to being plain tired, cranky and irritable. And being in that state of mind makes it difficult for you to do anything to the best of your ability, including losing weight."

A new study published in the online medical site JAMA Internal Medicine reiterates Dr. Drucker's statements, claiming that people who sleep less consume more calories, tending to crave higher-calorie foods than those who have slept for longer periods.

Sleep is one of the six pillars of lifestyle medicine, together with nutritious eating, stress reduction, exercise, social connection and avoiding risky substances. Getting enough sleep is vital for maintaining overall health and well-being. Here are some key advantages of having at least 7 hours of sleep nightly:

- 01** **Enhanced cognitive function:** A proper 7-hour sleep cycle allows the brain to consolidate and organize information gathered throughout the day, leading to better learning capabilities and mental clarity.
- 02** **Improved mood and emotional stability:** Adequate sleep helps regulate emotions and reduces the likelihood of mood swings, irritability, and stress.
- 03** **Physical health maintenance:** Sufficient sleep supports a healthy immune system, promoting better resistance against illnesses and infections, and reduces risk of developing chronic health conditions.
- 04** **Increased productivity and performance:** A good night's sleep positively impacts overall productivity, efficiency, and performance in daily activities.
- 05** **Better weight management:** Inadequate sleep has been linked to weight gain and an increased risk of obesity. Sleeping for 7 hours promotes a healthy metabolism and hormonal balance, reducing cravings for high-calorie foods and improving appetite control.
- 06** **Enhanced physical performance:** Sleep is crucial for athletic performance and physical recovery. Getting 7 hours of sleep allows the body to repair muscles, recharge energy levels, and optimize coordination, reaction time, and endurance.

While 7 hours of sleep is recommended for most adults, individual sleep needs may vary. It's essential to prioritize sleep habits such as maintaining a consistent sleep schedule, creating a sleep-friendly environment, and adopting relaxation techniques to ensure sufficient, restful sleep.

PROMO CODES

Beyond Slim offers fresh promo codes each month, providing you, our Coaches, with the chance to run your own exclusive sales. Using these promo codes is entirely optional, and discretion is key: we ask that you refrain from posting these unique codes on public social media channels. However, you may share them privately with individuals to whom you wish to extend a discount.

Please bear in mind that using promo codes will result in a decrease in the amount of Product Points earned as well as a reduction in your Customer Introduction Commission (CIC).

Here's a breakdown:

FOR A TWO BAG ORDER OF ZIPLIM ON SUBSCRIBE AND SAVE (S&S)		FOR A SINGLE BAG ORDER OF ZIPLIM ON S&S	
S&S order with <i>no promo code</i>	= 100 Product Points \$50 CIC	S&S one bag with <i>no code</i>	= 50 Product Points \$25 CIC
S&S order with <i>\$10 promo code</i>	= 90 Product Points \$45 CIC	S&S one bag with <i>\$10 discount</i>	= 40 Product Points \$20 CIC
S&S order with <i>\$20 promo code</i>	= 80 Product Points \$40 CIC	For RS90 S&S with no promo code, it amounts to 20 Product Points and a \$10 CIC.	

Each of the orders stated above qualifies as active S&S members for rank advancement. CIC Commissions are processed and paid within 72 business hours, excluding weekends.

Kindly note, if a customer utilizes a coupon for their first month, they'll be charged the full price the following month, and your CIC will round back to \$50 on a two bag S&S order.

From the third month onward, customers receive the Loyal Customer Discount, and you start earning the Loyalty Customer Commission in addition to Organizational Commissions on this S&S member instead of CIC.

For further information, please refer to the Compensation Plan training materials in BYSU.
