# A MESSAGE *from The CEO*

## Your Road Map to Record Success in 2024!

Dear Friends,

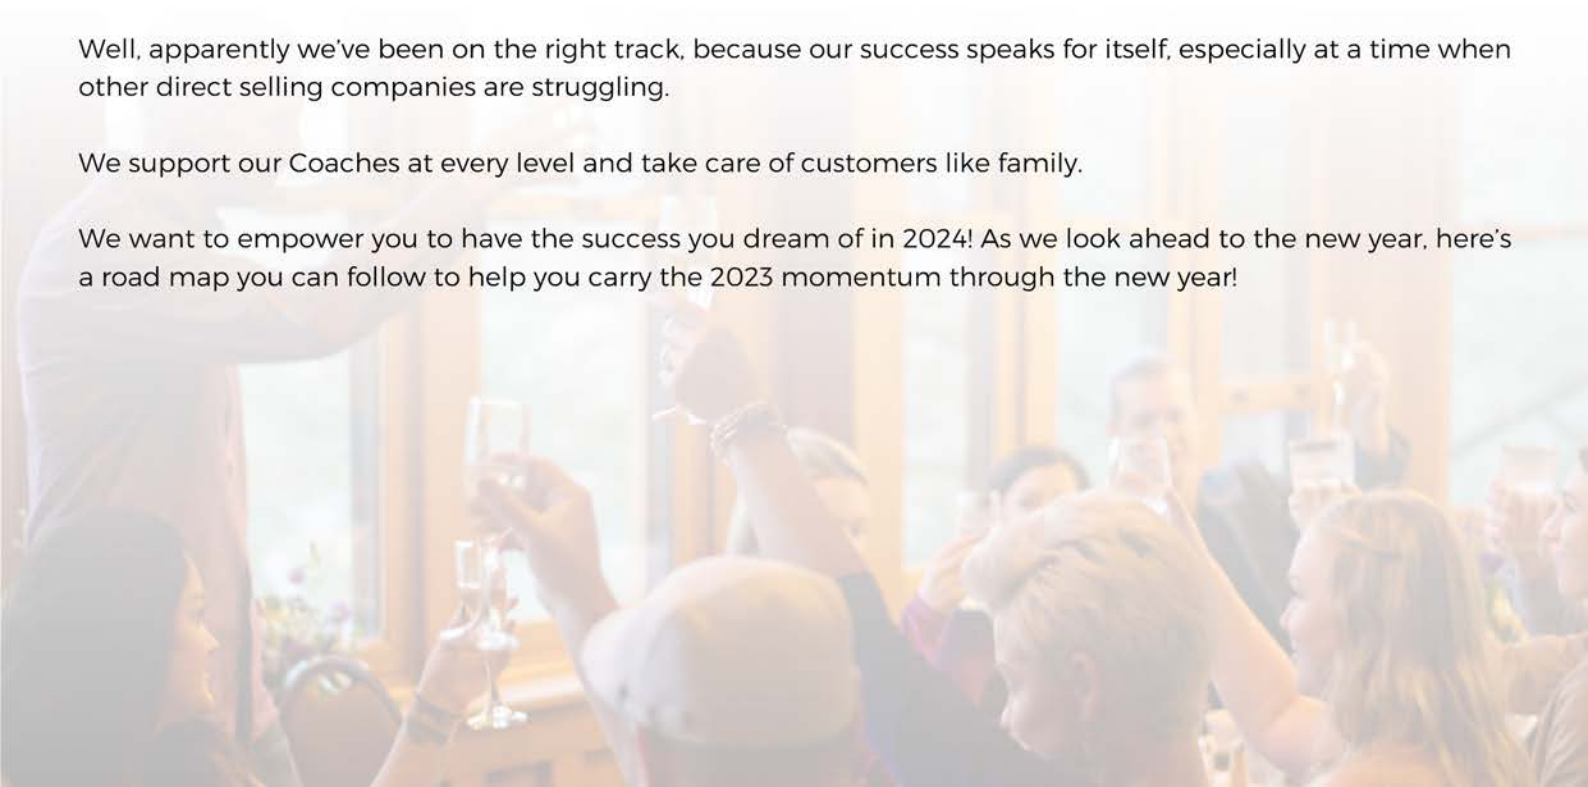

2023 was an epic, record-breaking year for Beyond Slim and our Coaches! Through the first 11 months of the year (Jan-Nov), our sales were almost 9X higher than the first 11 months of 2022! And what's even more exciting to me, our commissions paid to hard-working Coaches all across the US, were also almost 9X higher!

Nothing gives me greater joy than seeing our amazing Coaches flourish and grow and experience more success than ever before! When we launched Beyond Slim, we decided to do things differently. Rather than just focusing on making the company and shareholders successful, like many other companies, we decided it was time to start a company that focused on the people, our dedicated Coaches, and build a company focused on their success, their dreams, their goals, and their desire to help others. We asked ourselves, can we do well, by doing good? Not only is this the right thing to do, but we were confident it would create success for everyone. It was a win-win mission!

Well, apparently we've been on the right track, because our success speaks for itself, especially at a time when other direct selling companies are struggling.

We support our Coaches at every level and take care of customers like family.

We want to empower you to have the success you dream of in 2024! As we look ahead to the new year, here's a road map you can follow to help you carry the 2023 momentum through the new year!

## January is All About the Reboot!

With a record 75% of the population in the US being overweight, January is the month that virtually everyone sets a goal to finally get fitter, healthier and happier! And, there is no more effective way to achieve that goal than with ZipSlim and our Reboot 66 program! In January you will see many new initiatives designed to support you and your customer's success. Stay closely connected to our Reboot 66 Facebook Group and encourage everyone on your team to participate in the Reboot 66 Challenge no matter what their fitness goals are!

## February Launch

Join us for our February Launch as we kick off 2024 with a very exciting new product, recognition, company updates and other enrollment-centered action items you can use to build your business, attract leaders and maintain a solid customer base. This event will set the pace for the year as you learn all about how Beyond Slim will continue to change so many lives in 2024 for the better!

Also, February is the month that the new, increased Organization Commissions go into effect. You want to focus on achieving your highest title in February to maximize those commissions!

## San Diego Leadership Summit

March is the final month to qualify for our Leadership Summit in sunny San Diego! Immerse yourself in this 4-day/3-night experience to hone your leadership skills, foster connections with fellow Beyond Slim leaders, have fun and get inspired to make 2024 your greatest year ever! This first ever event will provide training and renewed purpose to take you to the next level, including:

- Making a focused plan to achieve your next big title jump, to either Silver, Gold, Platinum or even Diamond!
- Goal setting training
- Presentations by Beyond Slim's top business builders
- Time with Founder & CEO Ray Faltinsky, VP of Sales Rachel Kellogg and Dr. Mark Drucker
- And much more!

There are 3 ways to qualify including being an Influencer 6 in the months of January, February and March. You DO NOT want to miss this event! I can't wait to see you there!

## Check Match Mania!

In April we launch the Monthly Check Match (MCM) Bonus. This is the bonus everyone has been waiting for that pays Silver 1's and higher between 3-20% of the Organization Commissions earned by leaders in your organization! The industry's leading compensation plan expert, Dan Jensen, has said that over time, as your organization grows deeper, this bonus will pay leaders more than any other bonus in our compensation plan! Well, that journey begins in April! See our Compensation Plan Booklet for full details.

## Our First Annual Convention!

Our first annual Convention will be held August 1-4 in Las Vegas! Nothing compares to the importance of this event! This is the most impactful experience you will ever have in Beyond Slim. This event puts you in the middle of all things Beyond Slim, in an environment that empowers you with learning, collaboration and recognition. Three full days of exclusive trainings, workshops, can't miss announcements, celebrations and awards! All of this is designed to help you reach your goals. Anyone who is serious about their success in 2024, simply must join us at Convention in August as we celebrate you!

We've created an incredible road map to keep the momentum going for you in 2024! Let's make this yet another record-breaking year and change so many more lives for the better!

Happy New Year!

Warmly,  
Ray

# DIVE INTO WELLNESS WITH BEYOND SLIM AND COLD PLUNGE THERAPY

The fitness and wellness world has seen a surge in the popularity of cold plunge therapy, or cold water immersion, in recent years. When paired with the effective, innovative products of Beyond Slim, the cold plunge trend may unlock a host of potential health benefits. From boosting immunity to enhancing metabolic activity, this powerful combination could be your passport to holistic well-being.

## Boosting your Immunity with Cold Plunge and ZipSlim

Markedly, both cold plunges and Beyond Slim's ZipSlim present unique advantages to boosting your immune response. Cold plunges have been observed to stimulate the immune system, while ZipSlim offers vital vitamins and minerals to further aid immune health. Together, they could create a fortress of immunity to help you fend-off unwanted ailments.

## Enhancing Metabolism: A Double-Action Approach

Beyond Slim's philosophy emphasizes metabolism-boosting products, creating a perfect match with cold plunging. As your body heats up against the cold water during a plunge, it uses more energy, which could potentially amplify your metabolic rate. Coupled with our metabolism-enhancing ZipSlim, you could hit the ground running towards increased calorie burning and energy.

## Achieve Better Skin Health: A Radiant Connection

Cold plunges are also reputed to improve circulation, thereby leading to healthier-looking, more vibrant skin. Complement this regenerative effect with Beyond Slim's RS90 (Radiant Skin in 90 Days). Together, they could work to give you a glow that emanates from the inside out.

## Weight Management Made Possible

Are you striving to achieve effective weight management? Combine cold plunge therapy and a regular exercise regime with healthy dietary habits and Beyond Slim's ZipSlim and ZipBoom. With their energy and metabolism-boosting effects, this combination could be your perfect companion on your journey to weight loss or management.

## Improved Post-Workout Recovery and Wellness

Cold plunges are known for aiding post-workout recovery and reducing inflammation. In conjunction, Beyond Slim's nutritional supplements offer a broad spectrum of wellness support. This winning combination could prove beneficial for your overall health.

While these advantages sound promising, it's crucial to remember that individual results may vary. Always consult with a healthcare provider before embarking on a new health or wellness regimen.

LEGACY LEADER

Upon discovering Beyond Slim, I was determined to break ties with the Network Marketing and Direct Sales Industry after nearly 5 years of experience. Despite my initial burnout, this industry holds a special place in my heart as it completely transformed my life as a recovering addict.

Exhausted and feeling trapped in the "rat race," I reached out to my upline with no intention of becoming a coach. I wanted to try the viral lemonade everyone was talking about

Struggling with a 40lb weight gain, exhaustion, depression, and the challenges of single parenthood, full time working mama, I tried Zip Slim on a busy workday. Surprisingly, that night I returned home with newfound energy, singing, dancing, cooking dinner, and even handling chores. This was a much-needed change.

Within 2 weeks of taking Zip Slim, I lost 11lbs and felt revitalized. I felt like a new woman. Now, eager to share this life-changing product, I delved into the culture, vision, and mission of Beyond Slim, finding pure alignment.

Seven months later, I not only shed 40lbs but also achieved a health goal set 8 years ago at 135lbs.

Partnering with Beyond Slim, a company true to its promises, valuing every coach's opinion, and invested in their success, has become the highlight of my career. This is home.

The competitive compensation plan enabled me to pay off debts, fund my kids' activities in cash, and break free from living paycheck to paycheck.

Being part of a company that fosters success for every individual is unparalleled. This journey feels like divine intervention, and I'm ecstatic for what 2024 has in store for us. Here's to the best year of our lives!

I can confidently say- This is what so many are looking for.

## 9 REBOOT RITUALS

### REBOOT RITUAL #8: Get at Least 7 Hours of Sleep Each Night

## *Beauty Sleep: Unlocking the Secrets of Sleep Deprivation on Your Appearance*

Delve into the realm of "beauty sleep," a term tossed around in conversations about enhancing our looks. What happens to our body when we don't get enough hours of sleep? Brace yourself for the shocking truth behind multiple sleepless nights.

Extensive research reveals that "beauty sleep" holds much truth. The impact of insufficient sleep goes far beyond just feeling tired. It takes a toll on our cognitive performance, affecting us mentally and physically throughout the day. But what constitutes quality sleep? It's all about achieving the perfect balance of deep sleep and rapid eye movement (REM) sleep.

There are sleep cycles occurring four to six times each night. These cycles comprise alternating phases of REM sleep and non-rapid eye movement (NREM) sleep. Just before reaching the final REM stage, we experience a state of complete relaxation during the NREM phase. This is when cell regeneration, tissue repair, and growth take place.

During sleep, our brain activity undergoes a remarkable transformation. Brain waves slow down during deep NREM sleep, which plays a crucial role in physical restoration and growth. It's a time when various hormones, including the hormone responsible for repair, growth, and metabolism, are regulated.

But what happens when these meticulously orchestrated sleep cycles are disrupted? Here are the visible consequences of sleep deprivation on our appearance:

- **Dark circles under the eyes** - While this feature may have genetic components, lack of sleep magnifies their appearance, making them more prominent.
- **Bloodshot and puffy eyes** - Your eyes will reveal the consequences of sleep deprivation with a red and irritated appearance, making them feel itchy and dry.
- **Pale skin** - The struggle to heal and restore from the previous day's activities becomes evident, resulting in a lackluster complexion.
- **Breakouts** - Insufficient sleep opens the door for blackheads and pesky pimples to appear, as a well-rested slumber promotes healthier skin.
- **Pronounced wrinkles and fine lines** - The lack of sleep accentuates these signs of aging, giving way to saggy mouth corners and an overall fatigued appearance.

## 9 REBOOT RITUALS

### REBOOT RITUAL #8: Get at Least 7 Hours of Sleep Each Night

Experts relentlessly advocate for adults to get a minimum of seven hours of uninterrupted sleep each night. While achieving this may prove challenging for some, fret not, for there are tips to help you attain a peaceful and uninterrupted slumber:

01.

**Indulge in a warm, relaxing bath an hour before bedtime. Let the temperature drop and send signals to your body that it's time for a peaceful sleep.**

02.

**Adhere to a soothing skincare routine before retiring for the night, aiding your skin in replenishing itself.**

03.

**Say no to midnight snacks, particularly those high in sodium. Excessive intake of salt raises blood pressure, leading to fluid retention and a puffy facial appearance.**

04.

**Bid farewell to smartphones and tablets before entering dreamland. These electronic devices stimulate your brain, denying you a restful sleep. Keep them at bay at least an hour before hitting the sack.**

05.

**Establish a regular sleep schedule. Train your body to adhere to a fixed sleeping and waking pattern every day, even on weekends. Deviating from this routine disrupts your body's rhythm and may result in reduced sleep duration the following night.**

06.

**Resist the temptation to check the time if you wake up in the middle of the night. Scanning the clock triggers mental calculations about your remaining sleep time, potentially worsening anxiety and cutting down your overall rest.**

07.

**Quench your thirst with water rather than alcohol. Hydration enables your heart to pump blood efficiently and detoxify your body. On the other hand, alcohol interrupts quality sleep, wreaking havoc on your restfulness.**

It's important to note that oversleeping is also detrimental to your health. Sleeping more than nine hours a night falls into the category of oversleeping, which may be caused by factors such as recovering from sleepless nights, medication, or medical conditions.

Prepare yourself for the miraculous transformations that a good night's sleep brings. Embrace the beauty of slumber and watch as your appearance undergoes a stunning metamorphosis.

# PROMO CODES

Beyond Slim offers fresh promo codes each month, providing you, our Coaches, with the chance to run your own exclusive sales. Using these promo codes is entirely optional, and discretion is key: we ask that you refrain from posting these unique codes on public social media channels. However, you may share them privately with individuals to whom you wish to extend a discount.

Please bear in mind that using promo codes will result in a decrease in the amount of Product Points earned as well as a reduction in your Customer Introduction Commission (CIC).

Here's a breakdown:

FOR A TWO BAG ORDER OF ZIPLIM ON SUBSCRIBE AND SAVE (S&S)		FOR A SINGLE BAG ORDER OF ZIPLIM ON S&S	
S&S order with <i>no promo code</i>	= 100 Product Points \$50 CIC	S&S one bag with <i>no code</i>	= 50 Product Points \$25 CIC
S&S order with <i>\$10 promo code</i>	= 90 Product Points \$45 CIC	S&S one bag with <i>\$10 discount</i>	= 40 Product Points \$20 CIC
S&S order with <i>\$20 promo code</i>	= 80 Product Points \$40 CIC	<b>For RS90 S&amp;S with no promo code, it amounts to 20 Product Points and a \$10 CIC.</b>	

Each of the orders stated above qualifies as active S&S members for rank advancement. CIC Commissions are processed and paid within 72 business hours, excluding weekends.

Kindly note, if a customer utilizes a coupon for their first month, they'll be charged the full price the following month, and your CIC will round back to \$50 on a two bag S&S order.

From the third month onward, customers receive the Loyal Customer Discount, and you start earning the Loyalty Customer Commission in addition to Organizational Commissions on this S&S member instead of CIC.

For further information, please refer to the Compensation Plan training materials in BYSU.
